Positions held: - 1. 1912 - 1913 Manager of Migule J. Velez
Department Store, Guayaquil, Ecuador.
Resigned:

2. 1913 - 1918 Accountant, Guayaquil Agencies
Company, Guayaquil, Ecuador.
Transferred to -

3. 1918 - 1924 Accountant and later promoted
to Sub-manager with Grace Nitrate Agencies
Company, Habana, Cuba. In the absence of
the Manager, acted in this regard.
*This company is the one and same company as
Guayaquil Agencies. Papers attached verify
changing the name from Guayaquil Agencies to
Grace Nitrate Agencies.
Resigned for following reasons:

4. 1. Grace Nitrate Agencies wished to
transfer Mr. Wilson to New York
Office. He was unable to accept
the transfer and promotion because
of the ill health of his first wife
who later died.

2. Established the Chemical Fertilizer
Corporation in Habana Cuba.

5. 1924 - 1936 Manager for 12 years of the
Chemical Fertilizer Corporation of Habana,
Cuba which was likewise known as Wilson y
Sune, manufacturers of fertilizer products
and agents for Moees Motors from Belgium
used for irrigating the land.

6. 1936 - 1951 Moved to the United States
and accepted position in Tampa, Florida
with the U.S. Phosphoric Products Tennessee
Division Corporation to open Social Security
Department. Has remained in the Social Sec-
urity and Payroll Division of the company un-
til the present time. This department has a
minimum of 800 employees on the payroll in
the Plant Division.

has travelled extensively throughout South America, Cuba, the United States and Europe.

Speaks Spanish fluently.
Understands English well, but speaks brokenly. Writes perfectly.

Besides an unlimited knowledge in managerial affairs, has extensive knowledge of fertilizer manufacturing and fertilizer products.

Has clerical and accounting experience and is an expert in operating Remington Rand Electric Payroll Machine.
experience

Has extensive in salesmanship specializing in fertilizer materials.

has been an employee with the U.S. Phosphoric
Tennessee Division Corporation fifteen years
as of February 2, 1952. He will be eligible
for retirement at that time and when he
reaches the age of 65 will be eligible for
company pension and Social Security.

Present Salary:

MOTIVE FOR CHANGING
POSITION.
